Message

Dr. Shankarrao Nevase

A consortium of Principal, Teachers, Farmers, Parents, Experts and Students who work together in a mission mode with set goals and objectives for enhancement of Agricultural Education, Research and Extension. Our College is constantly achieving the goals and setting the benchmark for Academic Excellence. As demand for Agriculture and its commodities is increasing rapidly which provides scope for Technology oriented Farming & establishing the Agro-based Ventures. The tools of Science and Technology has started offering tremendous Opportunities in the field of Agriculture for Economic Development of farmers. We are undertaking vital Educational and Social Activities to increase Productivity, Economic prosperity, Rural Entrepreneurship Development, Bio-diversity and Farmer- Market lead Extension are the core thrust of our Institution. Let's be action oriented to Double the Farmers income and stimulate Youth Empowerment right from Grass-root level. I feel immense proud with the work approach of our institution and express my best wishes for further endeavour.

Vision

To serve as a Centre for Academic Excellence in the area of Agricultural Education in the service of Farmers and Rural community.

Mission:

- To provide Opportunities for Education in Agriculture and allied science for the youths.
